

Vice Commodore (Continued From Page 1)

We've got a great club let's give it a good cleaning and get ready for the 2010 season. Last week when I was cleaning the bar, everything looked good, but the bar stools need a bit of refinishing. I would appreciate if a member or members would take on this project for some work hours. Even if one or two are done at a time. It would really add to the appearance of the bar area. Another project is to paint the ladies shower doors. A reminder after the house cleaning, the floors will be stripped and waxed. Thanks to all the members that have given me suggestion and different ideas. Remember this is your club too.

Any questions, please contact me. Thank you for your help and support.

P/C Steve Paternite- President

At our last meeting we elected officers for 2010. Tom Adams will be the treasurer and I will remain as president. We received club approval for the Blue Gavel to purchase a new Gazebo for pool area with the money we will make from our functions. Looking forward to seeing everyone at the commodores ball.

Thank You For Supporting Blue Gavel!
