**WCYC Chapter /Blue Gavel**  
P/C Steve Paternite- President

Thanks to the club members and their guest that attended our spaghetti dinner. We had a good turnout with a total of 73 diners. The profit we made from this function will be used to purchase a new gazebo for the pool area for the club members to enjoy this summer. We will continue to raise money throughout the year to help reach our goal for the next purchase for the club. I want to also thank the following Blue Gavel members that helped make this function a success: Past Commodore's- Don Connerton, Phil Reed, John Mattingly, Ray Greiner, Mark DiDonato, Joe Winch, Dan Killian, Glen Linke, their wives and my wife Judy. We really appreciate your support and wish you a fun, safe and relaxing boating season.

Thank You For Supporting Blue Gavel!
