

"Around The Grounds"

Rear Commodore- Don Connerton Jr

The port o potty is in place for the season. The 8 yard dumpster is now located behind the club house. Sinks on dock boxes need to be removed from dock boxes before the health department inspection this month. They already stated they will be looking for Compliance regarding this matter. I devised a towable rake for resurfacing our gravel driveway it seems to help bring our existing gravel back to life after all of the boats are launched I plan on giving the drives another hit with the rake again. Any member wishing to contribute to a gravel fund we welcome and help you can provide. A big thanks to everyone who showed up At the ground work party on April 30th the club is starting to shape up nicely we add some much needed mulch to our flower bed and we took some time to clean up our bed by the gate. I Would Also Like to thank my wife Meredith and my mother Marion for starting on the flower pots around the club house and pool are we still have a bit more to do but we should be all set by memorial day. We are looking to get some top soil for the areas by the wall. Please try to keep you areas orderly this season we don't want Potential members thinking we do take care of our club and curb appear does wonders for gaining prospective members.

Reminder: The mowing sheet is on the bulletin board

**" Happenings In The Harbor"
Fleet Capt.-Reva Linke**

I would like to thank those who worked at the work party to put clamps on wall as follows: Bob Shaw, Tom Nova , Ed & Mitch Wohl, P/C Phil Reed, P/C John Mattingly, P/C Glenn Linke. We got all the work completed in just over 2 hours. The travel lift is up and running. Remember to use ONLY approved operators to lift your boat. Names and Numbers of approved personnel are on Bulletin Board. We have an open house planned for Second Weekend in June. **We need volunteers to help out.** We need greeters to talk with visitors and show off the club. The open house will invite guests from the river using a banner and we will be serving hot dogs and refreshments. Docks are all in, poles are all in , stanchions are all in and the wall is repaired. I have Port Authority Stickers for boats. Please see me for your boat sticker.
