

Important Membership Meeting September

"Around The Grounds"

Rear Commodore- Don Connerton Jr

I would like to thank everyone involved in the corn hole tournament held on July 9th. It was quite a successful and fun event. In total after all expenses and prizes were paid out we still made a fair amount of funds for the club. I would like to recognize the following members for the help with organizing and running this event: Tom Nova, Sherri Nova, Ed Wohl, & John Orlosky. I would like to thank P/C Phil Reed for taking the aluminum cans to the scrap Metal recycler. The money collected from the can was used to purchase & spread gravel in the most problem areas of the drive, most notably the front gate. I would also like to thank Ed Wohl for his help in obtaining the Gravel at his a discounted price.

Well it looks like we have completed a lot this year. We've had a great summer ! Boats are in, stanchion's are complete and leaks are fixed, uprights are on, docks are filling up, travel lift repair is complete, and the wall is complete. A BIG THANKS to all who have helped this summer and continue to help when needed. It's all of us working together that make West Channel the wonderful club that it is and new members are seeing this. Keep up the good work. I will be trying to put together a work party in late august ,early September to repair the much needed docks that we have out so that next year we can put them in for with the anticipation of new members. We need to weld, sand and paint. Just a few able bodies and we can get this done. It will have to be done in steps over a few weeks. If you can give us an hour or two of your time please contact me ASAP to get on the list. Congrats to our new members: Kevin, Terry, Bonnie, Bob, and Michele. Welcome to West Channel.
