

Around The Grounds
Rear Commodore- Don Connerton

Well we are at that dreaded time of the year, at least as boaters. Remember, clean up your dock areas of trash when you put things away for the season. I have had the Porta - Pot removed from the north end for the season and will be having the trash dumpster moved back to the side of the clubhouse. I want to thank Stephanie Guess for her diligent effort in cleaning up some of the endless supply of Black Walnuts that have fallen around the clubhouse grounds. Finally, what a great evening we had with the Big Boy Burger/'Comedy Nite. I cannot remember having a better time of recent. It appeared all in attendance had an enjoyable evening. The comedy portion of the evening was superb! I laughed so much my stomach hurt! Congrats to all involved in making the evening near perfect! Based at the comments and reaction of those in attendance to this function, it would be a great event to repeat!

Happenings in The Harbor
Fleet Captain- Joe Lucas

A work party to close the harbor is schedule for Saturday November 7 with start at 9am sharp. I hope that members will participate, especially those who need to complete their work hours. I will plan to have lunch for participants.

WCYC Chapter /Blue Gavel
P/C Steve Paternite- President

The Blue Gavel co-hosted the Comedy/Big Boy event at the club on October 17th. The evening was a huge success, and everyone enjoyed the food, the comedians, and the music after provided by T-Bone. The burgers were bigger and better than the original Big Boy. This is one function I would recommend doing again. Not only did we generate a profit, we also created a lot of laughter down at the club. A special thanks to the following Blue Gavel members and their wives for the help throughout the evening: P/C Don Connerton, P/C Dan Killian, P/C John and Shelly Mattingly, P/C Ray and Sally Greiner, P/C Phil and Jan Reed, and my wife Judy. Also, thanks to the WCYC members that pitched in to help. Congratulations to Joe Ciliberto for winning the 50/50 raffle at the October meeting.
