Rear Commodore- Don Connerton Jr

The port O Potty was removed. Remember as you close up your dock areas for the winter, **tie stuff down** and clean up the junk. The winter wind is brutal and if the river rises over the banks ... well... you get the picture.

Thanks to all that attended Big Boy-Comedy Nite. For those who could not attend, you missed a great evening. Congratulations to John Orlosky, winner of the Big Screen Television. Our season is coming to a close and the stanchion removal work party will be Saturday October 29<sup>th</sup> at 9:00 AM. I know many of you will be working on your boats but hope that you can give us a couple of hours to get stanchions removed. By Saturday November 5<sup>th</sup> you need to make sure all uprights and handrails are removed from your docks. Also, please help get these items removed from open docks.

**A Message from Membership Chairman**  
Bob Shaw

I wanted to share some very positive news with the membership of WCYC. For the last four months, we've been actively recruiting new members, through various avenues. As a result, we've added two to three members in each of the last three membership meetings. I thought it would be an interesting exercise to compare the roster from November 2010 to November 2011. Even in a challenging economy when many of the area clubs and Marinas have been declining in membership, not only do we have more boats in more docks, we've increased non-docking members over the last year as well. We have additional recruiting plans for the upcoming year, which, I'm sure will result in more new members, and a continued net positive growth for WCYC membership. Recently, the board approved the "Membership Referral Award Program". If a current member refers a new member who joins the club, they'll get \$100 as a thank you. Thank you to my wife, Becky for all her work in helping me make all this happen. And thank you to all the members who are supporting our growth efforts. Please make sure you welcome all of our new members and their families warmly into the West Channel family.
