

**Around The Grounds**  
Rear Commodore- Don Connerton

Congratulations to all fellow Bridge Officers and Trustees elected for 2010. Not much left to do with the grounds for the season. I would advise those who have jet ski's in the back triangle area to place them in the area we usually have designated in the field. If flooding should occur over the winter, some may be a risk where they are now located. It may also be advisable to secure a line to a tree on these items as well. I was sorry to learn of the tragedy that struck The Semrau Family. Please Pray for their strength in these troubled times they face.

Happy Holidays!

**Happenings in The Harbor**  
Fleet Captain- Joe Lucas

Thank you to all members who participated in my work party to close the harbor. Everything went well and I much appreciate the help. Unfortunately, some members forgot to remove their uprights and handrails. Those members will receive a bill for the removal.

Happy Thanksgiving!

**OUR CONDOLENCES**

Associate Members- Roy & Betty Semrau (Glass Goose) on the loss of their son Roy II.

**WCYC Chapter /Blue Gavel**  
P/C Steve Paternite- President

Best wishes to everyone and we hope you have a nice Thanksgiving holiday. Our condolences go out to Roy and Betty Semrau on the loss of their son Roy L Semrau II. We also pray for a speedy recovery for Roy Jr.'s wife Kate.

Thank You For Supporting Blue Gavel
