

**Around The Grounds  
Rear Commodore- Joe Lucas**

No Report

**WCYC Chapter /Blue Gavel  
P/C Steve Paternite- President**

We purchased a new wireless microphone to replace the club's old one that was starting to malfunction. The Blue Gavel will be hosting several events for the Regatta weekend starting July 16th. Check for flyers at the club and the website for details. Congratulations to Marion Connerton for winning the 50/50 raffle at the June meeting. Looking forward to seeing a great turnout for our regatta weekend.

### **ASK.....Who Are You?**

There has been many unfamiliar faces at West Channel this year, especially at the pool. This is to remind members that they should not be permitting their personal guests on the property unattended. Members **MUST ALWAYS BE PRESENT** on the property with any Guests. In addition, please lets all do our part, if you see unfamiliar faces, ask who they are and whom they are at the club with. If you encounter trespassers, call the police.

**SLOW DOWN**

**ON CLUB GROUNDS- ALWAYS!**

### June

**26- Pool Party 2 PM**

### July

**8- Trustees 7:30 PM**

**15- Membership Mtg 8 PM**

**16-17-18- WCYC Regatta  
Weekend**

**31- 6 Club Progressive Party**

### Pool Courtesy

The warm weather has the pool in full swing these days. However, the pool area has also been left "trashed" on several occasions. Please, when you use the pool, put things back in order before you leave. If you move chairs/lounges, put them back in order. Throw trash away, take personal items with you and make sure that all pool toys are removed from the pool. Pool toys have been left in the pool and are affecting the pump system as they end up blocking the skimmers and all these items have to be removed almost daily when the pool is cleaned. If this problem persists, we will have to discontinue toys in the pool. Also, if you go into the house to use restrooms, **please dry off**. The floors become very wet, slippery and create a slip hazard. Many who use the pool are just walking into the house soaking wet. Many pool rules are being neglected. Remember Absolutely no Glass at pool area, NO diving and children under 16 cannot be in the pool past 9 PM. Members need to inform guests of the rules too! They are posted at pool area. PLEASE.... Follow the pool rules and use some courtesy.
