**Commodore- John Guess**

Well, this year is already starting to go by quickly, we just had our social this past Friday evening and I think everyone had a good time, I know I did. want to thank everyone from West Channel and all the other clubs for coming. I also want to thank Vice Commodore Mike and Chris Piunno for the great job they did setting everything up and P/C Don (Tbone) Connerton for providing the entertainment. We had a meeting a few weeks ago with some of our newer members to discuss ideas for the club and one suggestion given by Donny Connerton was to put the club on Face-book and Craig's list. We received four leads for new members from this suggestion, thanks Donny! I want to have more meetings like this with all our members as we go through the year so if you have an idea that could help the club, please bring it to me or one of the other board members. We are in the process of getting advertising for the year book, if anyone knows of a business that might want to place an ad or if any member is willing to help approach local merchants to promote the year book please contact me for more information. The Commodores Ball is quickly approaching, If you are planning to spend the night please contact the Radisson Eastlake to place a reservation, we have a block of rooms set aside at a reduced rate. Stephanie and I are looking forward to seeing everyone there!

Can't believe the Commodores Ball is here. That is a sure sign of spring. We should all have a great time. What a good time at the WCYC Friday Social. Thanks to Sally Jakubs, Reva Linke, Bob & Becky Shaw, Chris Piunno, P/C Don & Marion Connerton, and P/C Joe Winch. Thanks to all of the guests and members for the food. If you left hungry, it was your own fault! I would like to share my thoughts about West Channel. Chris and I joined the yacht club for many reasons. Looking back at a few things that we loved about the club was, there was a pool, great club house with a bar, ice maker, pop machine, great docks, and a beautiful view. I feel we have a great deal to offer perspective members. We are very competitive with our membership pricing for what members get. I plan on doing my part to try to help bring in new members. Hosting open houses as soon as possible is just one way to generate new members. I feel we are all proud of our club and happy with what our club has to offer. Would it not be nice to say, " sorry no docks available, we can put your name on a waiting list". In the boating community people do have money, let's give them a reason to join our club.

**Don't forget "House Cleaning" Saturday, March 20 Starts at 9:00 a.m.** Food will be provided.
