***"Words From The Commodore"***  
**Commodore- John Guess**

I want to thank everyone for attending the Commodores Ball and I hope you all had a great time. I want to thank the Ball Committee for the outstanding job they did bringing everything together. P/C Don Connerton for acting as master of ceremonies, Marion Connerton, P/C Glenn and Historian Reva Linke for all their work on the invitations and photos, P/C Phil and Jan Reed, V/C Mike Piunno for checking out venues and negotiating with the Raddisson, Chris Piunno, Secretary Sally Jakubs and Stephanie Guess. Great job!

April is almost here and everyone will soon be uncovering their boats, please remember to remove your strapping before placing the shrink wrap in the recycling area, the company that is picking up the wrap is requiring this or they will not make the pickup. Lets make sure we are compliant. R/C Joe Lucas is looking into the situation with the back flow preventers and should have an update by the next meeting, We have been having open houses the past two weekends to attract new members and there has been some interest. Thanks go out to Trustee Joe Ciliberto and V/C Mike Piunno for spearheading this membership initiative.

There will be several opportunities to get work hours over the next month so watch for announcements from the bridge officers. Also, please remember to get your reservations in for the Blue Gavel Spaghetti Dinner April 17th!
