JUNE 2011

"Words from the Commodore"
Commodore- Michael Piunno

First I would like to thank all the members that were at our last Members Meeting. It was great to see so many attend! Next, I want to thank Joe Winch for his help with the year book and getting this project completed on time. Welcome aboard to our two new members, Tom Russo and Scott Sharpless. Both are boating enthusiasts, that can't get enough sun and surf. Glad to have you aboard!!! Also I want to thank the bridge and board for their ideas on getting a few additional members. Keep the ideas rolling! I would like to get a small focus group together to get your ideas on obtaining new members as well. Call me or talk with me at the club. The pool is almost open for the season. V/C Don Connerton has been working to open the pool ASAP. He said it would be open by Memorial day. I believe him! I would like to extend a great deal of thanks to Fleet Captain Reva and her work party crew for all of their hard work last Saturday. Again, it was great to see so many members attend. They got the job done! Thanks to Rear Commodore Donny, he has battled rain, rain, and more rain, but the grounds look good. Donny has many projects he wants to complete, please lend a hand. Treasure Steve is busy collecting money and making sure everything is in balance. I would also like to thank the members for doing their fair share in helping out around the club. There is always something to do. Just ask..... Don't forget about Memorial Day and what it really means. We will have a busy weekend coming up.

(Commodores Report- Continued)

Please get together with the other members in your launch party group to plan what food, rinks, appetizers or desserts you are bringing. Check out the web for dock number assignments for the event. Have a safe holiday weekend. Let's hope for sunshine!

" Club- House Comments"
Vice Commodore- Don Connerton Sr

This weather @#%&#. You get the picture! Unfortunately, it has set back the start of the boating season. House Cleaning schedules are posted in the club house. New members may need to contact me to have a short orientation and learn how to do this chore. Congrats to Bob & Becky Shaw on their new boat. Thank you Sally Greiner for the cash donation from your scrap booking event. I have been diligently working to get our pool open but we have had setbacks with weather and some equipment issues. Hopefully we will be ready for Memorial Day Opening. **Fingers Crossed!** We do need some pool vacuum help. Call myself or the Commodore if you can help. As we get going into the season I ask for you, our members, help me keep "YOUR" club- house clean and presentable. I also remind parents to keep an eye on children in the clubhouse. Also, if you need work hours, I have many jobs, see me before you do anything in the house for work hours as I may have already assigned someone to do the task at hand. Thank You.
