Words From The Commodore
Commodore- Glenn Linke

I would like to start by sending out my condolences to the Semrau Family on the loss of their son who was tragically killed 2 weeks ago .Our hearts and prayers go out to the family. On Friday we had a chili cook off social. The 50/50 raffle was to be donated to the Semrau Family. I would like to thank the winners of the raffle, new members Dave and Sandy Kiss. They have generously donated their winnings of \$85.00 back to the club to be sent to the Semrau Family. In total we will be sending a check for \$220.00 I would like to thank everyone that attended and helped out, especially for your generosity!!! The satellite TV is back thanks to a few members who have donated their equipment for the winter. A more permanent service will be obtained in the spring. The club was presented with a GCBA Commanders Award for the club that has participated the most in the GCBA in 2009. Thanks to all members who participated to earn a nice award for our club. The harbor was closed 2 weeks ago and I would like to thank F/C Joe Lucas and everyone that attended to get the job done. I would like to congratulate the newly elected bridge and board for 2010. Remember these members are volunteers and need the full support and help of their club. Our member Christmas party will be after the membership meeting December 17th .Please bring an appetizer or a desert to share. Lastly, Reva and I would like to wish everyone a Happy Thanksgiving

(Commodore Continued)

and hope that we all take a moment to look around and really be thankful for what each and every blessing we have in our lives. Cherish the time spent with family and friends and do not take for granted the time we have with them!

Clubhouse Comments
Vice Commodore- John Guess

I would like to congratulate the Bridge Officers and Trustees for 2010 and thank the membership for electing me as your Commodore. I am looking forward to serving with all of you next year. We had an issue with the fire alarm system that has been resolved. Thanks go out to R/C Don Connerton for meeting with the Eastlake Fire Department and Ernie Kolasinski for replacing all of the smoke detectors. I also want to thank R/C Don and Marion Connerton for shutting down the ice machine. Also, a reminder that if you have anything in the refrigerator please remove it since we will be shutting it down for the winter. Stephanie and I want to wish everyone a Happy Thanksgiving!
