Pool Opens Early

The pool got an early opening this year. Just in time for some 80+ degree days too. Some Pool Reminders:

- There is NO Life Guard on Duty. It is a rule to have an adult in attendance at ALL times when a child under 14 is in pool. **NO Exceptions!**
- Glass containers/Bottles are strictly forbidden at pool area
- No Diving

Please, when you leave pool area , clean up your trash and take your towels and clothing with you. In addition, Pool play toys **MUST** be put away when done. Leaving items in the pool causes them to get lodged in the skimmer. This could cause damage to pool filtration pump.

Geneva Cruise 2010

June 18-19-20 is the W.C.Y.C. Geneva Cruise. Reminder that each member must sent their own registration form to Geneva. The Forms are on our club website. Look under the calendar section.

Remember the Troops!

Have A Safe Memorial Day Weekend!
